

LEAHURST REVIEW

2ND PLACE

In Canada

Leahurst College's Music Class Challenge artists has achieved a remarkable milestone by securing **second place in the 2024 CBC Canadian Music Class Challenge**.

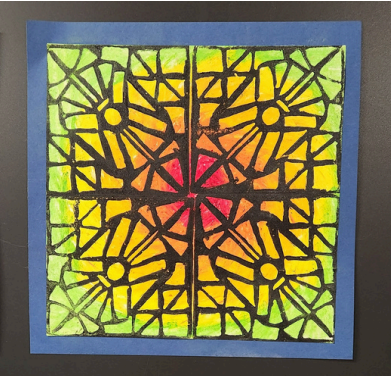

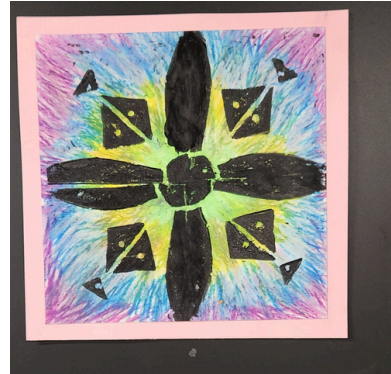

The ensemble, comprising students Sammy, David, Avery, Quinn, Isabel, Ani, Izzy, Nathan, Ria, and Emma, delivered an outstanding performance of "Everything is Boring," showcasing their talent and artistry. Thanks as well to Mr. Streight and Ms. Fotiou for their dedication and expertise.

You can watch their performance here

Their hard work and passion for music have earned them well-deserved national recognition. Congratulations to everyone for this extraordinary achievement.

ART

In Ms. Brown's Art Class, the students crafted a radial pattern utilizing the linocut printing technique. They carved their designs onto linoleum blocks and printed them over an oil pastel background. This project emphasized color, radial symmetry, and unity.

Radial Tile Print

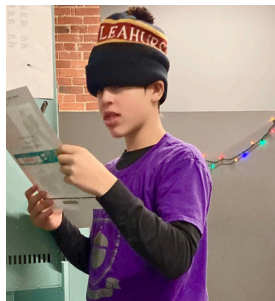

The Grade 6, 7 & 8's created a radial pattern using linocut printing technique. They carved their design onto a linoleum block, then printed over an oil pastel background.

This project focused on colour, radial symmetry, and unity

Awesome! NEWS

I just wanted to take a moment to say a huge thank you to everyone who helped make our food drive such a success! Thanks to your generosity, we were able to donate 482 items to the Kingston Food Bank, which does amazing work supporting local families with groceries through their food hamper program.

I'm honestly so moved by the kindness of our school community. A special shout-out to Flow House for donating 308 items!! Earning them 154 well-deserved house points!

Thank you again to everyone who donated. Your support really makes a difference, and I couldn't be more proud of what we've accomplished.

Sincerely, Izzy P

QUEEN'S QHACKS

We are QHacks, **Queen's University's largest annual hackathon** and we are looking for students to volunteer at our event! This event was made to bring together students from across the region to collaborate, innovate and create solutions to real-world problems through their programming projects! **This year's edition will take place from JANUARY 24-26th, 2025!**

We are reaching out to invite high school students to volunteer at our event. QHacks is a big opportunity for students to gain community work experience, network with industry professionals, event-management skills all while earning volunteering hours.

What volunteers might expect to do:

- Assist in handing out meals and refreshments for hackers
- Ensure event spaces are clean and organized
- Support even logistics and help facilitate events and workshops

What volunteers will get in return:

- Exclusive QHacks merchandise (T-shirts, stickers)
- Access to workshops and events during off-shift hours.
- Earn volunteer hours

Event Details:

- Location: Queen's University, Kingston, ON
- Jan 24: Mitchell Hall (Rooms 215, 225, 235)
- Jan 25: Beam Monroe Hall, Atrium (Group Rooms, Room 313A)
- Jan 26: Grant Hall
- Other rooms used throughout the event:
 - Kin 101 for workshops
 - Grant Hall on Jan 25th for Career fair
 - Bioscience Atrium

We believe this volunteering opportunity will benefit many students with valuable hands-on experience while contributing to an amazing event!
